★ **THEME:** For summer 2020 at Cowboy’s Rest our Hebrew keywork is melek, meaning “king”, “monarch” or “ruler.” As we dive into a study on the 2nd half of King David’s life, we’ll explore two very important questions. First off; “Who wants to be Melek?” but more importantly, “Who is melek?”

For David, everyone around this monarch seemed to lay claim to his throne. His sons, his generals, his enemies -- nearly all of them desired to be king in David’s place. Even David himself occasionally acted as if he was the ultimate sovereign. Even he sometimes lost sight of the fact that another was truly Master.

The story of King David sheds light on our current lives. Everyone, at some point desires to be melek, to rule our own lives and dictate our own morality. But like David and his rebellious subjects, we must each learn that there is only one Melech ha-M’lachim -- only one King of kings. Jesus, the Anointed One, and someday He will reign supreme on the throne of His ancestor David.

So when you’re all out of lifelines, when you’ve used your last shoutout and the clock is out of time, we must all answer the question, “Who is melek?” Jesus or me?

So brush up on your Bible Trivia and get ready to be a part of some real life game shows. Enough of watching them on TV. Join us at Cowboy’s Rest this summer 2020 for all the buzzer-beating answers, spinning wheels, crazy puzzles and, of course, preposterous costumes!

We look forward to seeing you!
