Christian Camp & Retreat Center

Prayer Guide

The effective prayer of a righteous man can accomplish much.

James 5:16

The following are all the summer staff. Please note, since this is early, some may choose not to work here this summer, more will be added later, some may work other jobs than what is listed. God knows His plans for the staff here, and how exciting is that! We just wanted to offer specific names so that these individuals may be lifted up in prayer to Him well before summer camp starts. Thanks!

Dear Brothers and Sisters in Christ,

Please accept our sincere thanks for joining us in the most important work of any ministry: *prayer*. If God is not the source of strength, inspiration, and protection for our ministry, then we are nothing. We deeply appreciate and need your intercession on our behalf.

We've put together this *prayer guide* so that you have an idea of the specific needs at Cowboy's Rest this year. Please keep this close so that you can remember to daily lift up the work that God is doing.

As summer approaches, we ask that you remember the staff in your prayers all the more often. They have the awesome opportunity to work directly with our campers, but in so doing they face daily warfare and exhausting hours. It is difficult but so essential that they maintain a close relationship with our Lord as they act as Jesus' hands and feet to children who need to know Him. Please pray for these dear young men and women as they serve.

Thank you again for joining us in the ministry. May our Lord's name be glorified and His kingdom expanded!
