

# What is Deep Dive?

Deep Dive is a small Retreat style event that Cowboy's Rest hopes to provide twice a year (Winter and Summer.) These events will be for a small group of campers, roughly 15-18 that are genuinely invested in studying the scripture. The schedule will be overhauled to provide more time for study of the bible with teaching times, group discussions, Q&A as well as devotionals.

The study will tie into the winter or summer curriculum, but as the name implies it will dive deeper, providing more cultural background and real-life application. There will still be time to enjoy all the activities that Cowboy's Rest has to offer but the focus will be on the scripture, not the games. If you are considering signing your child up for this event please consider their

willingness and desire to participate in intense biblical study.

This Winter at Cowboy's Rest have invited out Pastor Jeff South from Ruby Mountain Bible Church in Spring Creek, Nevada.

I grew up in a missionary pastor's home in Utah. I was saved at age 5, when my father led me to the Lord after family devotions. At age 12 I felt the call toward the pastoral ministry, and began teaching mostly in the area of youth ministry. By age 16, when I received my drivers license, I began traveling to fill pulpits around the state of Utah. After graduating High School, I was accepted to Northland Baptist Bible College in Dunbar, Wisconsin where which I graduated four years later with a Bachelor's degree in Bible & Theology. After graduating from college, I returned to Utah to direct a small Christian camp, as well as serve as a Youth

Pastor in my home church of Nephi, Utah.

I met my wonderful wife Rebekah while I was at college in Wisconsin. We were married in 2010, and have been blessed with 6 wonderful children. After serving in the state of Utah for a number of years, my wife and I came to Spring Creek, Nevada, so that I could pastor Ruby Mountain Bible Church. We have lived in Nevada for 6 years. I love pastoring for several reasons, but perhaps most of all, I love studying and teaching the Bible. I am passionate to continue my academic career, and to teach God's Word to all who will listen. I am currently pursuing a Master of Theological Studies at Shepherd Seminary, and am hoping to pursue more teaching opportunities as the Lord leads.

Pastor Jeff will be taking the Campers deeper into the study of Ruth, to align with our normal curriculum. However, the study will be able to stand alone. Feel free to register your camper for both events or just one.
